EXPLANATION

The inclusion of this explanation does not constitute agreement with
the explanation's substance by the members of the general assembly.

3

4 This bill provides for access to an adult adopted person's
5 original certificate of birth.

6 The bill provides that an adult adopted person who was born
7 in this state and whose original certificate of birth was
8 substituted with a new certificate of birth based upon the
9 adoption, or an entitled person, may obtain a noncertified copy
10 of the adult adopted person's original certificate of birth as
11 specified in the bill. Upon receipt of the written application
12 and proof of identification and payment of a fee, the state
13 registrar of vital statistics shall issue a noncertified copy
14 of the original certificate of birth to the applicant. At the
15 time of such issuance, the state registrar must also provide to
16 the applicant any contact preference form or medical history
17 form completed and submitted to the state registrar. The
18 contact preference form, developed by the state registrar,
19 is a form to be completed and submitted by the biological
20 parent stating a preference regarding contact by an adult
21 adopted person or entitled person following application for and
22 issuance of the noncertified copy of the original certificate
23 of birth. The preferences available to the biological parent
24 include a choice of one of the following: (1) "I would like to
25 be contacted. I have completed this contact preference form
26 and am filing the form with the state registrar. I may change
27 this preference by filing a subsequent contact preference form
28 with the state registrar." (2) "I would prefer to be contacted
29 only through an intermediary. I would like the following
30 named individual or entity to act as an intermediary. I have
31 completed this contact preference form and am filing the form
32 with the state registrar. I may change this preference by
33 filing a subsequent contact preference form with the state
34 registrar." (3) "I do not want to be contacted; however,
35 my personally identifiable information may be released if

1 requested in accordance with Iowa Code section 144.24A. I
2 have completed this contact preference form and am filing the
3 form with the state registrar. I may change this preference
4 by filing a subsequent contact preference form with the state
5 registrar." The medical history form, developed by the state
6 registrar, allows a biological parent to provide the medical
7 history of the biological parent and any blood relatives.
8 The options available to a biological parent on which the
9 biological parent may choose only one are: (1) "I am not aware
10 of any medical history of any significance"; (2) "I prefer
11 not to provide any medical information at this time"; (3) "I
12 wish to provide the following medical information included on
13 the attached form". The contact preference form and medical
14 history form are to be provided to an individual who is in the
15 process of terminating parental rights and are to be attached
16 to a release of custody and the termination of parental rights
17 order, which in turn are attached to the adoption petition
18 and the adoption decree. A certified copy of the adoption
19 decree, including any copy of the contact preference form and
20 medical history form, are to be sent to the state registrar for
21 the purpose of, in addition to the preparation of a new birth
22 certificate, attaching the contact preference form and medical
23 history form to the original certificate of birth. The bill
24 directs the state registrar to adopt rules pursuant to Code
25 chapter 17A to administer the provisions of the bill including
26 rules relating to fees for issuance of the noncertified copy
27 of the original certificate of birth, the application form and
28 proof of identification requirements relative to application
29 for a noncertified copy of an original certificate of birth,
30 and the contact preference form and medical history form.
31 Fees established are subject to Code section 144.46 including
32 provisions requiring that fees collected are to be deposited
33 in the general fund of the state and the vital records fund in
34 accordance with an apportionment established by rule.
35 The bill provides for the establishment of a public

1 awareness and notification period by the department of public
2 health beginning August 1, 2019; provides that beginning August
3 1, 2019, an adult adopted person or an entitled person may
4 submit an application for a noncertified copy of an adult
5 adopted person's certificate of birth if the adult adopted
6 person, who is the subject of the application, was born before
7 January 1, 1970; and provides that beginning July 1, 2020, an
8 adult adopted person or an entitled person may apply for a
9 noncertified copy of an adult adopted person's certificate of
10 birth, notwithstanding the date of birth of the adult adopted
11 person who is the subject of the application.

12 The bill includes conforming changes in the Code. The
13 bill provides an exception to the provisions and penalties
14 relating to the opening of papers and records pertaining to a
15 termination of parental rights or an adoption, to allow for
16 access to the original certificate of birth consistent with the
17 bill.
